

## Activity Card #1

### A Stick Until by Constance Anderson

#### Words to Explore:

1. stout—thick and sturdy.
2. submerged—under water.
3. plumage—a bird's feathers.

#### Questions:

1. Who finds the stick after it is lost in the story?
2. What do we learn that chimpanzees use sticks for?
3. If you play outside and find sticks, how might you use them in your own games? Tell someone special all about it.

**Activity:** Take a nature walk with someone special. Do you see sticks? How do you think animals might use them? Do you see any animals using sticks? Use the journals and crayons included in this bag to show your ideas or discoveries.
