

Activity Card #3

Masterpiece Mix by Roxie Munro

Words to Explore:

1. turpentine—an oil that can be used to mix paints.
2. palette—a thin board on which an artist mixes colors.

Questions:

1. What kind of painting has objects in it that do not move?
 - a. Still life
 - b. Portrait
 - c. Landscape
2. What do you call a painting that shows a picture of people?
 - a. Still life
 - b. Portrait
 - c. Landscape
3. The author's father gives her the advice that she should do what she loves. What things do you love to do? Tell someone special all about it.

Activity: The key at the end of this book shows 37 famous works of art. How many can you find in the pages of the story? Choose 3 for someone special to search for, and then have someone special choose 3 for you to search for.
