

## Mt. Hebron Nursery School

### 2021-2022 Travel Policy

(Revised August 2021)

- We are asking that MHNS families promptly notify the school if a child will be traveling out-of-the-state or out-of-the-country.
- MHNS students who travel outside of the MD/DC/VA/DE region are required to have proof of a negative PCR COVID-19 test (administered 3 to 5 days **after** travel) in order to return to school. The student will need to remain at home until tested and negative results are in.
- If vaccine eligible members of your household are **unvaccinated**, we ask that you are mindful of the increased risk **your** travel represents for your child. As per CDC recommendations, we encourage any unvaccinated adults in the household who travel to test 3 to 5 days after their return home and to quarantine from other members of the household for 7 days.
